

PRESS RELEASE

Prestigious new Functions building for Branston Golf Club

Local construction company, A & S Enterprises Ltd of Newborough has secured a major £1.4m construction contract, won in open competition. The new Functions building is the latest edition to the highly successful Branston Golf Club in Burton on Trent.

The construction contract, which commenced late December comprises of a steel frame with block and brick masonry cladding and traditional tiled roof. The high specification building includes banqueting and meeting rooms with several bars and is finished with quality cherry hardwoods and granite surfaces. Even the toilets are finished in granite with sensor controls.

A & S Enterprises are delighted to have been entrusted by the Club with this major project, which will be ready to open in August 2005. Commenting upon the scheme, Andy Sulin (Managing Director) said " This is a flagship project for us and will enable A & S to develop further work within the leisure sector. Leisure work is renowned for speed on site and we are confident that we will deliver on time and to a high standard of quality".

In addition, A & S Enterprises Ltd has secured further construction contracts in Burton, namely new Industrial Units for JW Smalley at Stretton, new Offices for Michael Wright at Wetmore Road and new Unit for Elite Windows, Hawkins Lane.
