

PRESS RELEASE

Record Orders For Local Construction Company

Local construction company, A & S Enterprises Ltd of Newborough has secured a record £4.8m of orders since May of this year. This includes over £2.8m of projects in Burton upon Trent. New high specification offices are being built for Morgan Industrial Properties at Centrum 100, whilst a Design & Build contract for new factory and offices has been secured for Elite Windows in Burton.

In addition, A & S Enterprises Ltd has secured further prestigious contracts in Derby, Loughborough and Alfreton for Apartments, Student Accommodation and Co-op Superstore respectively, all contributing to the success of this local family owned company.

Formed in 1998 and run by Mr A Sulin, the company undertakes Commercial, Industrial, Education and Prestigious Housing developments in and around Burton, Staffordshire and the East Midlands. Keen to satisfy market demand, A & S Mechanical Services Ltd was formed a year ago and already has a turnover in excess of £750, 000. Commenting on the growth of the company Mr Sulin believes that "fast-track performance to a high standard of workmanship" is the key to successful repeat business with his Clients.
